

What's

COMPASS

KAJI PRESS

COMPASS is a bimonthly magazine covering a wide-range of the maritime industry, including shipping, shipbuilding and marine machinery. **COMPASS** sharply analyzes the current situation and future of the maritime industry and has been influential as an opinion leader.

Up-to-date Articles

Every issue of COMPASS features special stories which sharply investigate hot topics, and leading industry opinion. Also regular serial contents, "Interview" with industry leaders/experts, "Close-up" analyzing maritime events/developments from wide angles and deep insight, "Kaiji Report" covering industry movements/trends in detail, will enlighten the readers. While information about new ships and products will show the readers their competitor's technology and sales policy.

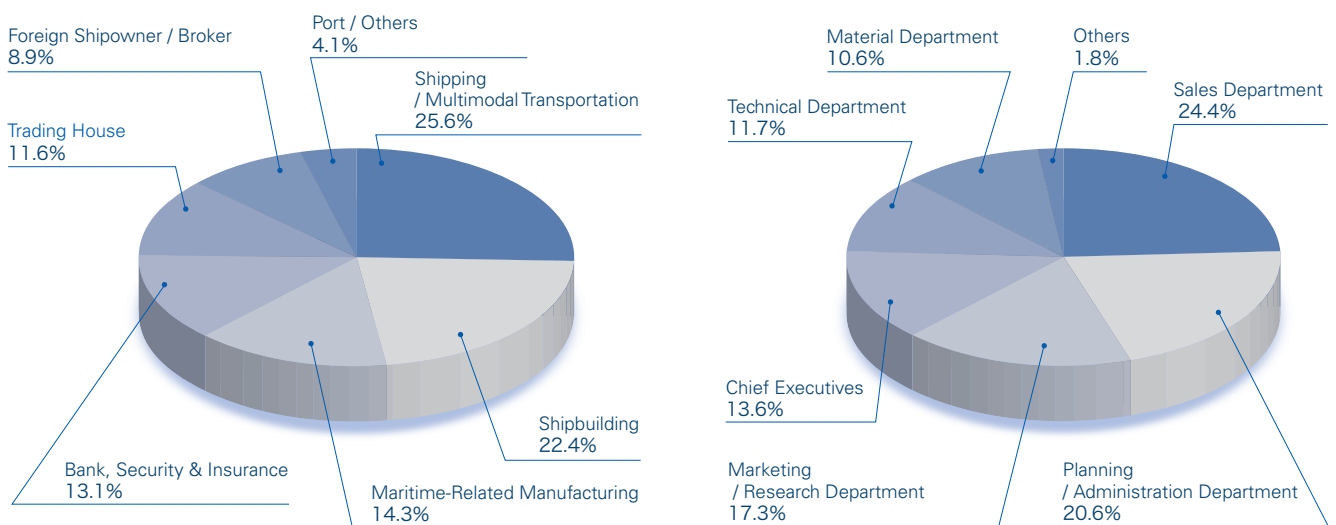

Colorful & Substantial News

COMPASS enjoys high reputations among readers for its overseas on-the-spot reports written from global point of view. COMPASS will continue spotlighting the Asian (centering in China) and European markets, which draw the interest of the whole industry.

Readers' Profile

COMPASS is read by top executives ranging from front-line business people in sales, to those in planning and material procurement departments of carriers and shipbuilders. It is also read by relevant parties in banks, insurance companies and other financial institutes, COMPASS is appreciated for its accuracy and reliability.
